RELIABLE FOR PEACE OF MIND

Zen-O lite™ is manufactured to meet standards of the US Food and Drug Administration, and European Medical Directive. Zen-O lite™ also complies with the requirements of the Federal Aviation Administration, meaning it is suitable for air travel.

Zen-O lite™ is delivered with a 3 year warranty.* Warranty of all Zen-O lite sieve bed modules is limited 1 year.

FREEDOM TO BE ACTIVE

Whatever you're into – shopping, travelling or socializing – the Zen-O lite™ portable oxygen concentrator, from GCE Healthcare, helps you to live life actively and independently.

At just 5.5lbs, Zen-O lite™ is lightweight and delivers up to 1050ml of oxygen a minute.

RESPONSIVE OXYGEN DELIVERY

Zen-O lite™ delivers oxygen within the first half a second of your breath, triggered by your inhalation. With our Rate Responsive Therapy (RRT), Zen-O lite™ detects when you need more oxygen and automatically increases the amount delivered.

NEVER LEAVING YOUR SIDE

If Zen-O lite™ requires any maintenance, such as replacing the sieve modules, you don't have to send your device away and wait for its return. Zen-O lite™ has been expertly designed, allowing you to carry out basic maintenance yourself.
